

LMIC COMMITTEE

Chair (s): Dr. Jayita Deodhar (India) & Dr. Phillip Odiyo Ouma (Kenya)

One sentence of committee/group mandate: Focus on enhancing clinical services, capacity building and research activities for boosting the discipline of Psycho-oncology in LMIC countries

Up to three key accomplishments since June 30, 2023:

1. Preparation of draft for Psycho-oncology Curriculum for LMICs
2. Initial meeting to explore engagement with Research Committee
3. Submission of grant application for a Research Leadership Training Academy to be held with the World Congress in 2025, in collaboration with Fundraising, Research and Education Committees with lead investigator from LMIC

Two key initiatives underway for 2023:

1. To finalize the Psycho-oncology Curriculum for LMICs
2. To plan the Research Leadership Training Academy to be held with the World Congress in 2025, in collaboration with Fundraising, Research and Education Committees
3. To continue training on capacity building in Africa via ECHO
