

Fear of Cancer Recurrence/FoRwards

Chair (s): prof. Marije van der Lee (The Netherlands)

Aim: facilitate collaboration on Fear of Cancer Recurrence research and disseminate knowledge

Up to three key accomplishments last 6 months:

1. successful webinar on implementation
2. collaborative Delphi study on Fear of Progression
3. collaborative symposia at IPOS 2023

Two key initiatives underway for 2023:

1. joint project optimal clinical pathway
2. assessing early career needs
