

Early Career Professionals In Psycho-Oncology

Chair: Dr Helena Lewis-Smith (UK), **Vice-Chair:** Dr Ursula Sansom-Daly (Australia)

One sentence of committee/group mandate

This group brings together and represents the interests of IPOS members who are early in their career and want to provide a platform through which they can find and support each other.

Two key accomplishments since June 30, 2022:

1. Circulated a survey among ECPPs to explore needs and preferences in terms of IPOS ECPP events and support.
2. Delivered a showcase on 'the future of psycho-oncology', featuring ECPPs across the world presenting their research.

Two key initiatives underway for 2023:

1. Organise a series of webinars to help develop clinical and research skills for ECPPs in LMICs
2. Organise webinars/workshops in collaboration with other IPOS SIGs e.g., FORwards SIG
