

Cancer and Aging: Reflection for Elders (CARE) SIG

Chair (s): Tania Estapé (Spain) & Patricia A. Parker (USA)

Mission: In response to the rapid growth of the aging population diagnosed with cancer and their caregivers, the mandate of the Cancer and Aging: Reflection for Elders (CARE) SIG is to promote global collaborations among researchers, clinicians, and decision makers to improve outcomes for these groups.

Key accomplishments since June 30, 2022:

1. Virtual Meeting July 13, 2022
2. Sponsored webcast on February 15, 2023, “Cancer and Aging: Considerations when Working with Older Adult Patients with Cancer” ” Chairs: Tania Estapé (Spain), Patricia Parker (USA) ; Speakers: Beatriz Korc-Grodzicki (USA) and Siri Rostoft (Norway)

Key initiatives underway for 2023:

1. Symposium Presentation, “Communicating with Older Adults with Cancer and Their Caregivers: Navigating Meaning and Emotion Among Diverse Populations of Older Patients, Caregivers, Healthy Older People and Healthcare Professionals at IPOS World Congress 2023 (Milan)
2. Determine interest in continuing CARE SIG and recruit new members
